About Me

Hello there! I'm Ashish Kumar Singh, a tech enthusiast and problem-solving aficionado pursuing a degree in Computer Science Engineering at Galgotias University. My knack for innovation is showcased in projects like the Google Gemini App (GGA) and the Chat in Group App (CIG), where I delve into Flutter, Dart, Firebase, and more. A Java aficionado, I've crafted the ORSCANNER for versatile QR code applications. Beyond coding, Proficient in C++, Java, Rust, and Bash scripting, I bring a diverse skill set to every challenge. Let's innovate together!

Education

Schooling - Delhi Public School Hathras
X Passed with 90.8 Percent   *2019*
XI Passed with 91.8 Percent   *2021*
Bachelors - Galgotias University
Bachelors of Technology in Computer Science Engineering   *2022 - Ongoing*

Experience

- **Contributor** - Experience of being a contributor in OpenSource Program **GirlScript Summer of Code** .

Projects

1. **Project: Google Gemini App (GGA)**
   - **Source Code:** GitHub Repo

2. **Project: Chat in Group App (CIG)**
   - **Source Code -** Repo Link Here

3. **Project : ORSCANNER**
   - **Source Code -** Project Link

4. **BASIC SUDOKU GAME CLI BASED**
   - **Source Code -** https://github.com/Mr-AshishKSingh/Sudoku

Skills

0.1 Technical Skills

- **Programming Problem Solving Skills**
- **Version Control using Git and Github:**
- **Programming Languages - C++, C, Java, Rust, and Bash Scripting:** –
- **Android Development using Flutter and Dart:** –
- **OpenSource Contribution:** –
- **Basic 3D Modeling using Blender** –
- **Experience to work over various TE's Like Vim, NeoVim, Nano etc ..**
- **Have Good knowledge about the working of different Operating Systems » Linux based - Arch , Debian , etc**

0.2 Soft Skills

- **Presentation Skills** –
- **Leadership Skills** –
- **Professional Document Generation using LaTeX** –

Mode of Communication

English - Medium Proficiency
Hindi - Good Proficiency
